**I don't get sick anymore**

By Deborah Larson on October 21, 2016

I've had problems for YEARS getting sick with sinus and upper respiratory infections. It started with a cold and always built into something more. With the MANY benefits of cayenne, I'm feeling much better. My nose isn't constantly plugged anymore. I have limited post nasal drip, and I can sleep all night and breathe through my nose. This has definitely been a life saver for a long time

I am very pleased with the quality and quantity of this cayenne pepper capsule. I take one or two to start my day; one at evening, an hour before bed. A very nice addition to my supplement regimen. There are a few brands that I trust, Now Foods is one of them.

Very good product at reasonable price. The company has been around a good while but glad I discovered them. Definitely better products than the box stores. Delivery excellent.

### Helps with lowering my blood pressure!

By [Tyra Walters](#) on May 10, 2015

I take this as part of my daily vitamins to help with high blood pressure. If I take it every day, my bp will stay at a nice 120-something/80-something. I do need to eat a little something when I take tho, as it makes me burp cayenne a little.

I purchased this cayenne supplement because of cayenne's numerous health and dietary benefits. It has been shown to speed up metabolism and help you burn extra calories every day without effort. It also purportedly helps to suppress appetite, aid digestion, decrease inflammation, and boost immunity. I take cayenne 3x/day.

The NOW Foods brand consistently provides great products, with secure packaging, and consistent quality. I would recommend this product for its ease and convenience. I would also recommend getting some powdered cayenne to use with cooking.
